THE GOLF CLUB OF LANSDOWNE RESORT
1:00 PM ON OCTOBER 8TH, 2018

Samaritan Inns provides quality housing and compassionate, but effective, treatment and recovery services. For over 32 years, our programs have treated and transformed over 12,000 lives. Of the graduates of our long-term program, over 90% remain free of drugs and alcohol, are employed, and live in their own home or apartment. Individuals who arrive broken emerge as whole persons, capable parents, and contributing members of society.

When you sponsor our golf tournament, you are sponsoring these men, women, and families who have made the commitment to reclaim their lives from homelessness and addiction.
