

Registered Nurse

Samaritan Inns, located in Columbia Heights, NW in Washington, DC, is one of the region's premier providers of residential Substance Use Disorder (SUD) treatment and recovery services to men, women, and families. Since our founding in 1985, we have served over 16,000 DC residents through a multi-phase treatment and recovery continuum. We continue to expand our services and grow to meet the significant need in our community.

Position Summary: Registered Nurses (RNs) are an integral part of our clinical team. They are responsible for:

- Assessment and referral;
- Brief medical triage;
- Medication management;

The position requires licensure as an RN, plus two years nursing experience. Work in the recovery field is preferred. The prospective candidate must have the ability to quickly learn computer documentation requirements.

FT and PT hours available.

Pay: \$35.00 - \$55.00 per hour

Full-time employees receive a very generous benefits package, which includes: premium-free health insurance, with dental and vision coverage, and a benefits card to cover co-payments; paid sick leave; vacation; and personal days off.

COVID-19 considerations:

All staff must be fully vaccinated.
