ANNUAL REPORT 2020

SAMARITAN INNS

Combating Homelessness & Addictions. Rebuilding Lives.

Our Mission

Samaritan Inns' mission is to provide structured housing and recovery services in an environment of support and accountability that give homeless or at risk individuals who suffer from drug and alcohol addictions the opportunity to rebuild their lives.

Our Program

For over 35 years, our programs and services have helped over 15,000 citizens in the District of Columbia.

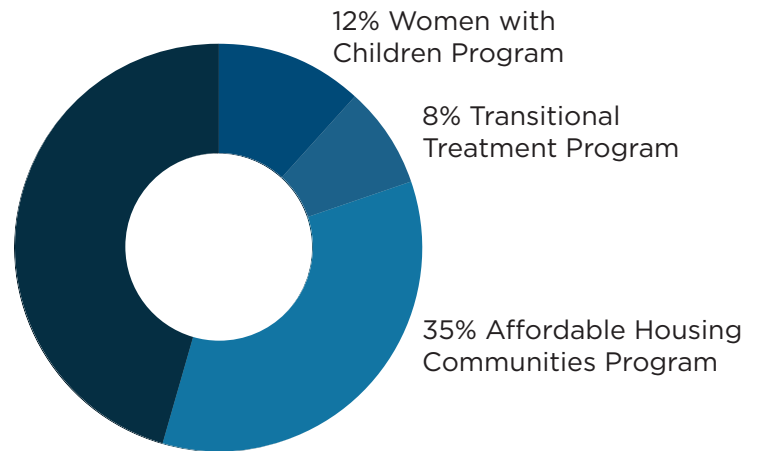

We are the only agency in the Nation's Capital with a full residential Treatment and Recovery Continuum for adults, comprised of a 28-Day Adult Treatment Program, Women's Transitional Treatment Program and a Men's Transitional Treatment Program, and a Long-Term Recovery Program. Additionally, we have the only program for Women with Children (complete with an on-site Child Development Center) in the District.
